

Organizational Membership

Your organization can become a member of the Maryland Mental Health Coalition's 1outta5 Campaign!

- **Protect the Public Mental Health System Budget**
- **Support a minimal increase in the State Alcohol Tax to fund mental health services**
- **Preserve the mental health carve-out**
- **Ensure access to care for all in need**

The mission of the Coalition is to bring together consumers, family members, providers and advocates to advance unified, consumer driven public policy agenda to improve the quality of care and outcomes for Maryland children and adults who have mental illnesses. The 1outta5 Campaign seeks to ensure access to needed mental health services for the 1 out of 5 Marylanders living with a diagnosable mental health problem in any given year.
