

Is your child age 8-10 and interested in being part of the largest, long-term study on child development in the U.S.?

Now recruiting in the Baltimore area for the national Adolescent Brain Cognitive Development (ABCD) Study!

CONDUCTED AT  UNIVERSITY of MARYLAND
SCHOOL OF MEDICINE

In the study, your child:

- Cannot currently have metal braces
- Will receive a brain MRI (no injections)
- Families can earn up to \$350 for the initial assessment

Adolescent Brain Cognitive DevelopmentSM
Teen Brains. Today's Science. Brighter Future.

Interested? Call: (410) 706-ABCD (2223)
