

Healthy New Moms

Resources for Providers

Healthy New Moms continues to compile and update perinatal mood and anxiety disorder resources for both families and providers. It is our hope to bring together communities and professionals to support families during pregnancy, pregnancy loss, and the postpartum period.

Breastfeeding & psychiatric medications. MGH Center for Women's Mental Health. (2018, May 29). Retrieved from <https://womensmentalhealth.org/specialty-clinics/breastfeeding-and-psychiatric-medication/>

Healthy weight and weight gain in pregnancy: Behavioral counseling interventions. Recommendation: Healthy Weight and Weight Gain In Pregnancy: Behavioral Counseling Interventions | United States Preventive Services Taskforce. (2021, May 25).
