

CEU OPPORTUNITY

BEHAVIORAL HEALTH, AGING & PEER SUPPORT TRAINING

Behavioral Health, Aging & Peer Support helps peer specialists by introducing the nuances of aging as a peer.

THIS TRAINING WILL PREPARE PEER RECOVERY SPECIALISTS TO:

- Describe how aging can impact behavioral health.
- Describe how behavioral health can impact the aging experience.
- Demonstrate effective strategies for conducting peer support with older adults.
- Identify local, state and national resources that support older adults and peer workers.
- Apply strategies for starting conversations around culture and meaning.
- Identify challenges and barriers to appropriate behavioral health treatment for older adults, including ageism, comorbidities, and historical influences.

THIS TRAINING IS FOR:

Certified Peer Recovery Specialists (CPRS) or anyone who provides peer support.

COST: FREE thanks to our generous funders at the Baltimore County Local Behavioral Health Authority, Behavioral Health Systems Baltimore, and University of Maryland Training Center.

This training is 12 hours and takes place over 3 days. MABPCB, Maryland's CPRS credentialing board, has approved this training for 12 CEUs in the Ethics Domain.

PLEASE NOTE: This training was recently expanded. Individuals who attended the 6-hour version of this training are welcome to participate in the expanded version, but you will not receive additional CEUs.

Training dates are listed on the back of this flyer.
